## ORGANIZATIONAL ANNOUNCEMENT

We are pleased to announce that **Mike Collins** has been promoted to the position of Technical Services Manager covering the Mitchell, Indiana and Mason City, Iowa plant market areas effective February 1, 2016.

Mike has worked for Lehigh Cement for the past 27 years. Mike was a Quality Control Laboratory Technician from 1988-2001 and has been the Lehigh North Concrete Laboratory Supervisor since 2001. In his new role, Mike will be responsible for working collaboratively with the cement sales teams to effectively provide technical advice and assistance to our customers, manage the North Region Concrete Laboratory, and work with plant management to effectively develop product quality and specifications.

Mike has a Bachelor's degree in Physics from DePauw University in Indiana. Mike, his wife, Rachelle, and children, Jacob and Michaela, will reside in Mitchell, Indiana.

Mike can be reached through any of the Sales Representatives in your market area or directly at the information below.
