

# CPAM Dues Structure

Revised January 2025

- ▶ **Annual membership dues** will be invoiced in January of each year for all members and are due in 30 days.
- ▶ **Contractor volume dues** will be assessed at the rates listed below for all contract bid items relating to concrete paving (as described below).

Volume dues invoices will be calculated on the value of concrete paving items as bid, except as provided for in the CPAM bylaws. Volume dues invoices will be prepared and mailed when project bid abstracts become available and are payable in accordance with the provisions of CPAM bylaws.

- ▶ **Parking Lot Contractor volume dues** will be invoiced for projects promoted by or with CPAM.

▶ **CPAM Assessable Paving Items:**

*Most MnDOT specification 2301 & 2302 items including: mainline concrete pavement (highways, airports, streets/roads, shoulders, and parking areas); concrete pavement restoration (full- and partial-depth patching; slab stabilization; grinding and grooving; joint and crack sawing and sealing; and retrofitting dowels and tie bars). Integral curb and gutter work is also included. Bridge approach panels are specifically excluded.*

▶ **ACPA Assessable Paving Items:**

*Most MnDOT specification 2301 items including: mainline concrete pavement (highways, airports, streets/roads, shoulders, and parking areas). Integral curb and gutter work is also included. Bridge approach panels are specifically excluded.*
